ALD SELECTED BY EURONEXT TO ENTER THE SBF 120 INDEX

On 7 September 2017, Euronext announced the inclusion of ALD in the SBF 120 index. This decision was taken by the Steering Committee during the annual review of its French family of indices. The inclusion will be effective from 18 September 2017.

The SBF 120 ranks among the leading Paris stock market indices and consists of the top 120 companies listed on Euronext Paris, in terms of liquidity and market capitalization.

This selection follows ALD's successful listing on the Euronext stock market in June of this year and will further enable the Group to gain visibility and reputation in the mobility ecosystem as well as to access new means of financing and to increase its capacity to accelerate its development and seize new growth opportunities in both the corporate and B2C markets.
